

Chronic Lymphocytic Leukemia Disease State Education

May 4th, 2021

Morning meeting 7am

Evening meeting 6pm

****Virtual meeting****

WSU College of Pharmacy

Speaker: Michael L. Brandt, PharmD, FASHP
Oncology Medical Science Liaison, Janssen Medical Affairs

Disclosure: Work for Janssen Medical Affairs, a division of Johnson & Johnson

Activity Information:

This activity is designed for Pharmacists | 1 hour CPE | Activity type: Knowledge
ACPE Universal Activity Number: 0130-9999-21-115-L01-P&T

At the completion of this activity, the Pharmacist and Technician will be able to:

- Recognize the epidemiology of CLL
- Identify the presenting pathology of CLL
- Describe the prognostic factors in CLL
- Discuss the targeted treatment options in CLL

To Earn CE Credit

To receive credit, you must be a SPA member and complete the evaluation in SurveyMonkey and mark down the secret code that is given for the activity as validation of attending. You will need to submit the evaluation by **May 11th, 11:59 PM**. The evaluation as well as your NABP e-profile ID and birth date MMDD will need to be received by the WSPA in order for you to receive credit.

The Washington State Pharmacy Association only has **60 days** from the date of the activity to upload the CPE information to the CPE Monitor. WSPA will upload the CE within 3-4 weeks after the event. It will be your responsibility to check the CPE Monitor before the 60 days to make sure the CE is uploaded in your profile. If there are any problems, you will need to contact WSPA 425-228-7171. CE cannot be uploaded after the 60 days from the date of the event.

Registration:

There is no registration fee to attend this activity if you are a SPA member. If you wish to obtain CE after this but are not a member, please email the CE chair at alex.heyfetz@outlook.com. We will be using zoom and you should create a calendar reminder for the date and time you plan to attend with the information below.
