At the completion of this activity, the technician will be able to:

- 1.Distinguish between different roles available to technicians.
- 2.Discuss job responsibilities included in each technician role.
- 3.Identify education requirements needed for each technician role.

## **CE Information**

The Washington State Pharmacy Association is accredited by the Accreditation Council for Pharmacy Education as a Provider of continuing pharmacy education

### **CE Requirement – Secret Codes and Online Evaluation**

In order to process your CE credits, you must provide your correct NABP e-Profile ID number and your birth month and day (MMDD format). The NABP e-Profile ID number is a six to eight-digit number, and it is NOT your license number, NPI number, or store NABP#. If you need to verify your number or have not yet registered for one, please visit [www.MyCPEMonitor.net](http://www.MyCPEMonitor.net).

At the end of each CE presentation, you will be provided with a secret code. You will enter the secret code on the evaluation as proof of attendance. You must complete the evaluation in SurveyMonkey by **October 4th** in order to receive credit. WSPA will upload the CE to the CPE monitor within 3-4 weeks after the event. WSPA will email you once the upload has been completed so that you can check your CPE Monitor to confirm that all the CEs you attended are showing in your CPE Monitor. ACPE will not allow any uploads or corrections after the 60 days, so any issues will need to be resolved before then. ***It will be your responsibility to make sure that all of the CE has successfully been uploaded to the CPE Monitor within the 60-day deadline. No CE will be issued after the 60 days.***
